Healthcare Workforce Updates January 2019

Happy New Year. Looking forward to doing some amazing work with you this year. This is a busy period for us as we are analyzing the data for 12 different professions who completed their surveys in December. The 2018 Physician survey is one of those being analyzed, see a sneak peek below.

Healthcare Workforce Facts Corner

Do you know that Virginia's veterinarians and veterinarian technologists were surveyed for the first time in 2018. Results will be released soon.

[Profession Reports](#)

The HWDC Profession Reports are the mainstay of the HWDC's data products. They provide a statewide look at the healthcare workforce on a profession-by-profession basis. Profession reports are published following the end of the data collection period. Profession reports include HWDC CareForce Indicators as well as more detailed information pertaining to the professions.

[Student Choice](#)

Our interactive Student Choice page uses HWDC data and data from the Bureau of Labor Statistics to help students begin thinking about health careers and education. This tool highlights the interoperability of HWDC data and how it can be used in analysis and decision making.

[Virginia Healthcare Workforce Briefs](#)

The Healthcare Workforce Data Center's Virginia Healthcare Workforce Briefs provide timely indicators of the strength of Virginia's healthcare labor market in an accessible format. Information in these briefs is based on data provided by the US Department of Labor, Bureau of Labor Statistics and the US Department of Commerce, Bureau of Economic Analysis. The briefs consist of three series:

- *Series 1: State & National Employment (Monthly)*
- *Series 2: Virginia Regional & Sectoral Employment (Monthly)*
- *Series 3: Income & Compensation (Quarterly)*
