

Healthcare Workforce Data Center

Providing timely, high quality healthcare workforce data to inform healthcare workforce planning in Virginia

Healthcare Workforce Updates September 2018

Celebrating the Virginia Department of Health Profession's (DHP) Healthcare Workforce Data Center's 10 years of contributing to DHP's mission of ensuring safe and competent patient care by licensing health professionals, enforcing standards of practice, and providing information to health care practitioners and the public. Thanks for joining us on the journey and for all we have done and continue to do together.

Just released

[Economic Brief Issue 77, Series 1](#) (Providing trends of Virginia's healthcare labor market statewide)

[Economic Brief Issue 77, Series 2](#) (Presenting trends of Virginia's healthcare labor market by regions)

[Trends in Health Care and Social Assistance: Updated with July 2018 data](#)

Healthcare Workforce Facts Corner

Do you know there are 9.4 registered nurses per 1,000 Virginia residents?

Now Including 2017 Data

[Regional CareForce Snapshot](#)

Produced in collaboration with the Virginia Healthcare Workforce Development Authority, (VHWDA) our Regional CareForce Products provide an interactive guide to the CareForce in each of Virginia's eight AHEC regions. Regional Reports are updated each spring.

[Trends in Healthcare Workforce Full Time Equivalency \(FTE\) Units](#)

Starting in June 2016, the Trends in Healthcare Workforce Full Time Equivalency (FTE) Units feature enables FTE trend comparisons of the original surveyed professions from 2012 to 2015. It also compares 2015 results for 20 professions by county, as well as AHEC, Council on Virginia's Future, Workforce Investment Area, and Health Planning Districts.

[Trends in Virginia Healthcare Workforce](#)

Launched in 2018, this tool provides users with profession-specific data for all the years available.

[Virginia CareForce Snapshots](#)

The Virginia CareForce Snapshot is a compilation of the CareForce indicators for all professions, statewide, in a given HWDC survey year. The Careforce Snapshot, updated annually in spring, provide an interactive guide to compare CareForce Indicators across professions.

Products

[Profession Reports](#)

The HWDC Profession Reports are the mainstay of the HWDC's data products. They provide a statewide look at the healthcare workforce on a profession-by-profession basis. Profession reports are published following the end of the data collection period. Profession reports include HWDC CareForce Indicators as well as more detailed information pertaining to the professions.

[Student Choice](#)

Our interactive Student Choice page uses HWDC data and data from the Bureau of Labor Statistics to help students begin thinking about health careers and education. This tool highlights the interoperability of HWDC data and how it can be used in analysis and decision making.

[Virginia Healthcare Workforce Briefs](#)

The Healthcare Workforce Data Center's Virginia Healthcare Workforce Briefs provide timely indicators of the strength of Virginia's healthcare labor market in an accessible format. Information in these briefs is based on data provided by the US Department of Labor, Bureau of Labor Statistics and the US Department of Commerce, Bureau of Economic Analysis. The briefs consist of three series:

- *Series 1: State & National Employment (Monthly)*
- *Series 2: Virginia Regional & Sectoral Employment (Monthly)*
- *Series 3: Income & Compensation (Quarterly)*
