CHANGE OF ADDRESS: Virginia law allows persons regulated by boards within the Department of Health Professions to provide an alternative address for public disclosure if they want their address of record to remain confidential, used only for agency purposes. Health professionals may choose to provide a work address, a post office box, or a home address as the public address. If an alternative public address is not provided, the address of record will also be used as the public address and may be disclosed if specifically requested. Addresses of individuals **are not posted** on the "[License Lookup](#)" program available through the board's [website](#).
